

An English Voice

The English Democrats are a voice for England. Scotland and Wales have their own parties, now England has the English Democrats. The English Democrats want to ensure that England is not the poor relation in the UK and is not used as a convenient cash cow to be milked for the benefit of the other countries. The English People should not be second class citizens in the UK.

The English Democrats have a range of common sense policies which are all aimed at putting our people and our nation's interests first. We are proud of being English, if you are too – then get involved today!

MORE POLICE - Catching Criminals!

ZERO TOLERANCE

On Child Rape Gangs & Political Correctness

It is criminals who should be afraid, not law abiding citizens! The English Democrats will have a zero tolerance policy toward political correctness in policing and will prioritise traditional English law and order and crack down on real criminals and gangs. Political Correctness is the reason that the shocking sexual abuse of young English girls has been allowed to go on for so long across South Yorkshire and other English towns. The British Establishment wouldn't speak out because they were more worried about offending ethnic minorities than they were about the safety of young girls. We want to remove political correctness from policing!

Our 5 Pledges

- ✓ Ensure a **zero tolerance** approach to crime & anti-social behaviour
- ✓ Put **more police on the beat** where they are needed
- ✓ **End politically correct** policing
- ✓ **Oppose the government's** proposed **huge cuts** to police budgets
- ✓ **Cut red tape and bureaucracy** that keeps officers from protecting us

Flying **OUR** Flag

Every police station in England should proudly fly the Cross of St. George. We will promote celebrations of St. George's Day!

JUSTICE for all the **VICTIMS** of **CHILD RAPE & GROOMING GANGS**

PROSECUTE all the **GUILTY** and those **INVOLVED** in the **COVER UP!**

Over 1400 children as young as 11 were systematically abused by grooming gangs in Rotherham over a 16 year period. This shocking abuse was covered up by the British Establishment. Out-of-touch politicians cover up crimes like these and many others across England for the sake of political correctness and because they wanted to secure the Muslim vote. English Democrats want to ensure a full investigation into these shocking cover-ups and the prosecution of all those involved in these scandals.
