THE EVENT PROGRAMME

Day One - 15th July 2023 (Saturday)

Start: 14:00 - End: 18:00

Harry Rhodes presenting:

- Toroidal science & water memory restructuring
- Etheric energies and weather translators / cannons
- Graphene oxide and methods of removal - live microscopy
- Etheric Pods - design and philosophy
- A few words on Free Energy devices and the progress in making

Day Two - 16th July 2023 (Sunday)

Start: 10:30 - End: 14:30

While Harry does his dark light microscopy we will run with a presentation by LF on:

- Synthetic Parasites & Pathogens
- The science of The Law of Frequencies - „The answer to everything lies between 10 and 100”
- Cold Melting Application in removal of nanotechnology
- Information Healing - Introduction to Bengston Information Healing

also:

- Harry Rhodes - off the record fictional stories
- Live deployment of weather translators / cannons

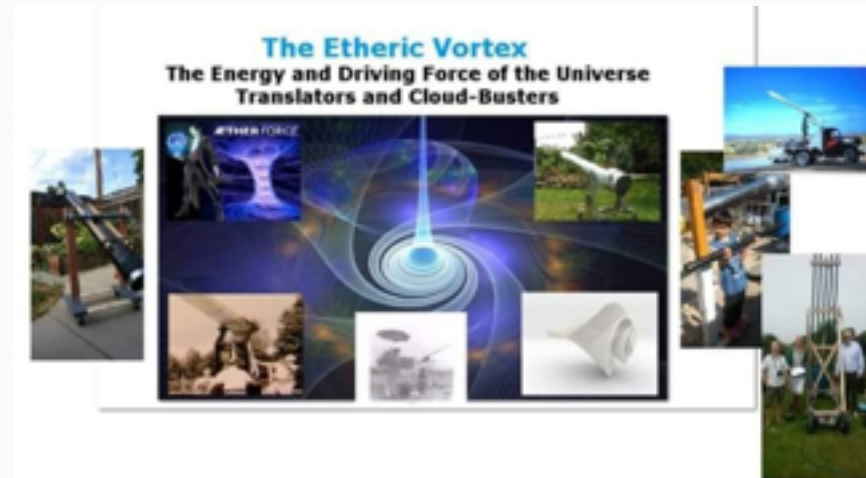

“A NEW IDEA MUST NOT BE JUDGED BY ITS IMMEDIATE RESULTS”

“ Today’s scientists have substituted mathematics for experiments, and they wander off through equation after equation, and eventually build a structure which has no relation to reality. ”
